SAHAN KALHARA
Undergraduate at SLIIT

After doing my A/L examination I was entered into the faculty of computing in the Sri Lanka Institute of Information Technology (SLIIT) in Malabe. At the moment I am a 3rd year student of B.sc (Hons) in Information technology specializing in Information Technology degree program. I am always more interested in learning new things. I am committed to doing the assigned work as accurately as possible. Able to work well with a team. I hope to advance in the field of IT.

PROJECTS
